

COMPANY PROFILE

BIZNIVO BUSINESS MANAGEMENT LIMITED

Integrated Business, Software, ICT, Data
& Digital Solutions

**Biznivo Business Management — our
flagship business-management platform.**

**RUN YOUR BUSINESS. KNOW
YOUR NUMBERS. GROW
SMARTER.**

WHO WE ARE

Technology that understands your business.

Biznivo is an integrated business, software, ICT, data and digital-solutions company focused on helping organizations understand, manage, digitize and improve their operations.

Our work combines systems analysis, software development, data and information systems, websites and web applications, ICT solutions and business-management technology to deliver practical solutions to real organizational needs. Biznivo Business Management is our flagship platform; our wider professional capabilities enable us to design and develop technology solutions for different business and organizational requirements.
